

# Wish upon a Star !

*The aptly named "Salle des Etoiles" at the Monte-Carlo Sporting Club served as the sparkling venue for international show-biz stars at the sixth edition of the "World Music Awards" on May 3rd last. But everyone - including our photographer - met up again at the jet-set's favourite rendez-vous, the recently inaugurated "Club des Artistes" in the heart of Monte-Carlo.*

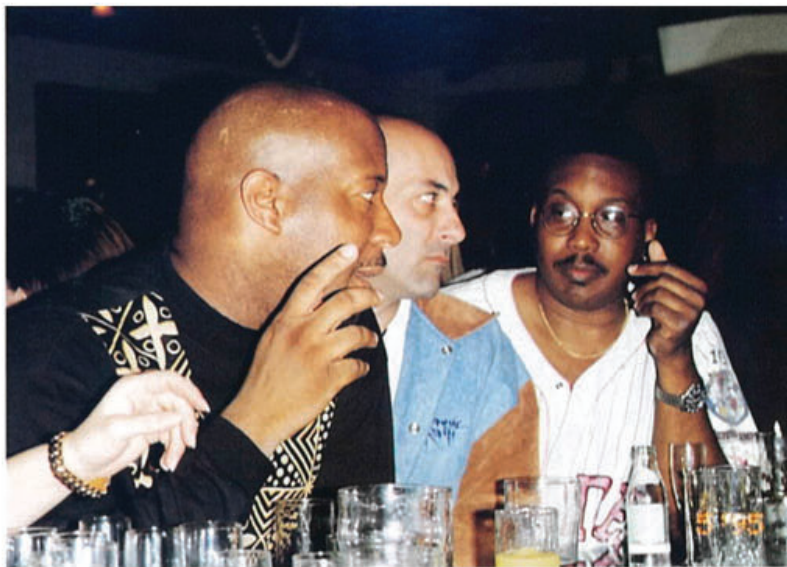

Amongst the party-goers in Monte-Carlo, Claudia Schiff, Karen Mulder, Ophélie Winter, Hermann (Scorpions), Aha, Rita Starr, Barbara Bach, Ursula Andress, Olivia Newton-John, Stevie Wonder, Curtis Stigers, Morten Harket, Nadja Auermann, Carla Bruni, Nelly Carlucci, Belinda Carlisle, Helena Christiansen, Charles & Eddie Boyz, II Men, Des'ree, Luis Miguel, Westernhagen, Milla Jovovich, Bobo, Salt 'n' Pepa, Dimitri Malak, Haddaway... what a glamorous and glittering gathering!

The talented Alessandra, resident songstress at the "Club des Artistes", scored a real hit in her much-applauded performance: accompanied by Stevie Wonder's electric guitarists. Further proof that artists at Kamil's new club rarely go it alone as already proven by the presence of other artists whose works - be it paintings and sculptures - add another tasteful dimension to the popular piano-bar and restaurant at the Avenue des Spélugues.

Art and refinement are even reflected in the cuisine, whose excellent chef presents his creations on pla-

with an original palette design !  
And while we certainly recommend you sample his fare (from 8 p.m. to midnight), many devotees also turn up later for drinks and live music from 10.30 p.m. until the early hours of the morning.  
During the Monaco Grand Prix, the "Club des Artistes" will offer a grand-stand view of the circuit, and will undoubtedly play host to yet more stars and members of the international crowd, this time from the exciting and prestigious world of car-racing. Don't just wish upon a star - go along and join them !
